

Be *Young at Heart* in **Epiphanytide** with Canon Kate

In this three-part series focused on the young and young at heart, Mother Kate Salisbury discusses how parishes of all sizes can minister to children, youth, and their families. We'll talk about worship, Christian formation, and special celebrations throughout the year that draw kids and those who love them straight to the heart of the Church. Topics include sharing practical resources, tips for writing children's sermons, and simple ways to connect young people to diocesan-wide opportunities. Come ready to share your memories, insights, and dreams for the next generation of the faithful.

The Reverend Canon Kate Salisbury currently leads the Cathedral's Fellowship in Faith and Family Ministry programs. Canon Kate's love of creative Christian education in Episcopal schools and churches has been shared with several congregations since 2004.

We meet from 12 Noon to 1 pm via Zoom on three Thursdays (January 16th, 23rd, and 30th).

There is no charge for this course. Register on the Mercer School website (www.mercerschool.org). You will receive ZOOM meeting details in the confirmation email.
